DELONG, 1820 VIRGINIA

William Delon	070	Fairfax County	Thuro.
Aamond DeLong	173	Montgomery County	No Township listed
George DeLong	055	Botetourt County	No Township listed
Henry DeLong	025	Broo	Wellsburg

A note here that Brooke County is found in West Virginia and so is Wellsburg. So far in the census reports in the library I have not found books on West Virginia back this far. Perhaps I have overlooked them or they were in use. Brooke County in West Virginia is in the very upper part of the state in the small arm that goes north between Ohio and Pennsylvania and is not close to the county of Botetourt in which we find George DeLong.

Mary DeLong	139	Russell County	Dickenson
Nicholas DeLong	010	Frederick County	No Township listed

In 1820 our George DeLong should have been in Ohio. Our Sarah Elizabeth was born in 1818 and there were older children than that. It is possible that the Indiana George DeLong (buried in DeKalb County) was born about 1800 and was from a first wife as Elizabeth Statler DeLong was not old enough to have a son of that age. But George was as he was several years older than she was.

These census reports could help to establish families and show which one George came from.

The 1850 Federal Census for DeKalb County, Indiana was enumerated by Egbert B. Mott, a prominent attorney who lived in Auburn. For the most part, his handwriting is legible and the information seems to be as accurate as what was given to him. But occasionally information entered was obviously or possibly inaccurate. Where such occurs it is noted in the remarks field. Mr. Mott often used abbreviations for states which may not clearly identify the states intended. The following are the most common one to two letter abbreviations he used throughout all townships in DeKalb County.

"Ia" or "I" - Indiana

"Ky" - Kentucky

"O" - Ohio

"Md" - Maryland

"NY" - New York

"Pa" or "P" - Pennsylvania

"Va" - Virginia

"Vt" - Vermont

I'm looking for the marriage date and location for Gideon DeLong (b. 11/11/1799, great grandson of Peter DeLanghe and Eva Elizabeth Weber) and his first wife Caterina (I have no other information about her other than her first name, any help appreciated). I'm also looking for a wedding date for Gideon and his second wife Hannah Bingeman (they were reportedly married at Bowers, Berks County VA - perhaps DeLong Church?).

In addition, I'm looking for more information about Gideon and Hannah's son Reuben and his first (Caroline Yiesley) and second (Sarah) wives and their children (if any). I have no other information for Sarah other than her first name. There was a death notice in the Schoolcraft (MI) Express on 7/16/1936 for a Charles J. DeLong from Flowerfield, Michigan (buried with his wife Mary Elizabeth Romig in the Flowerfield Cemetery - unknown to me if they had any children) - death notice said that Charles J. came from Snyder County, PA and was the last of 8 children of Reuben DeLong and Sarah H. Eiler. I'm wondering if this would be the same Reuben and Sarah as I have detailed above. I'd also be grateful for any information about their seven other children.

A tall order, but I'm hoping that someone will have the information.

Thanks in advance,
Kevin O'Rourke

SOURCES FOR THE KLINKER GENEALOGY

Taken from handwritten sources by various persons

Put in typed form by Ilene Gillen, dau. of Pearl and Forest Ohler

The German genealogy has been researched by

Susan Colvin, from Southern IN

Debbie Eidson, dau. of Roger Klinker, of Monroeville, IN

Debbie has used the LDS microfilms from the Allen Co. Public Library to uncover some of the original documents.

The form in which you are receiving this is the Family Tree Maker, taken from their computer program. I have entered all the information myself into this program and composed the "notes" you will find after some of your direct line of ancestors.

The actual photos are in the hands of various persons. I do not have all the originals. Of some I have just laser prints. Others I did scan from originals into my computer, but have returned them to their rightful owners. I do own a few myself.

Sources of the photos were:

Mary Brown

Helen Marquart

Ilene Gillen

Margaret Clouser

Thanks to Jean Feiock for the article on "Aunt Mandie's" sewing machine

1880 census information was found on the Family Search website, a part of the LDS church.
